## **Who is Team South Florida?**

We are a 501c3 non-profit organization based out of South Florida who travel the entire State. Our law enforcement charity is comprised of active and retired, sworn law enforcement members, in good standing, who serve, have served, or retired and now reside in the State of Florida. We welcome civilian volunteers who also have a passion for supporting law enforcement and have close ties to the law enforcement community. We vow to always remain a 100% volunteer organization with every single dollar raised benefiting our charitable initiatives.

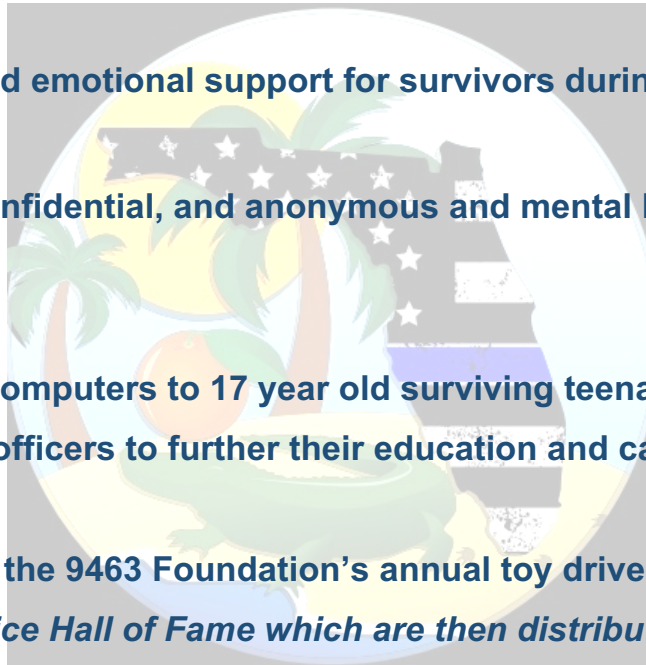

### **Our mission:**

Our primary mission is to honor and remember those law enforcement officers who have been killed in the line of duty. In the State of Florida, our number one focus is supporting each one of their families. Our secondary focus is being there and offering our support to their respective law enforcement agencies.

Our secondary mission is to bridge the gap between law enforcement and the communities they live and work in by sharing the human side of the profession. We focus on utilizing our social media pages to highlight many of the daily positive acts of kindness and compassion that are sadly rarely seen. We also pride ourselves on being a voice for some of our active law enforcement officers.

## Some of our initiatives:

- Attending the funeral service for Florida law enforcement officers who are killed in the line of duty,
- Sending a custom memorial plaque to their immediate family,
- Sending birthday cards to their children,
- Sending support cards to injured Florida law enforcement officers,
- Providing peer and emotional support for survivors during court proceedings,
- Providing free, confidential, and anonymous and mental health support for first responders,
- Donating laptop computers to 17 year old surviving teenagers of fallen Florida law enforcement officers to further their education and career goals,
- Donating toys for the 9463 Foundation's annual toy drive (*they deliver the toys to the American Police Hall of Fame which are then distributed to children of fallen law enforcement officers throughout Florida as well as our entire country*),
- Setting up, managing, and/or sharing approved fundraisers when requested,
- Sharing and highlighting positive acts of kindness and compassion involving law enforcement professionals throughout the country,
- Participating in positive events which support first responders.

## How can I help support these initiatives?

We are very proud to accomplish everything we do on a 100% volunteer basis!! This means no member of our organization will ever receive a single penny toward any amount of compensation.

We are very fortunate to have been able to accomplish all of our goals because of the generosity of businesses, organizations, and individuals who are kind enough to continue to show their support.

Absolutely no donation is too small and we truly hope you can assist us as we look forward to working together to accomplish even more this year!!

The following page will offer an additional description of some of our initiatives. If there are any questions, please do not hesitate to contact us. A sponsorship page will follow which will allow you to select the initiative you would like to support.

Please contact us if you would like to make a reoccurring donation.

Thank you so much for the continued support!

Very respectfully,

### Your Team South Florida Executive Board

# **SPONSORSHIP CATEGORIES:**

- **Gold Sponsorship** **\$2,500.00**
- **Silver Sponsorship** **\$1,000.00**

For donations of \$1,000.00 or more, we will display your name or business on our website and provide recognition via our social media platforms throughout the year to say thank you. For donations of \$2,500.00 or more, we will also display your name or business on our memorial tribute trailer that accompanies us throughout the State. *These donations go to our General Fund and assist with our initiatives.*

- **Custom Memorial Plaques** **- \$500.00**

These custom memorial plaques are individually designed and then delivered to the immediate Family of Florida law enforcement officers killed in the line of duty.

- **Laptop for children of Fallen Florida Law Enforcement Officers** **- \$500.00**

The 9463 Foundation began on August 10th, 2007 when Broward Sheriff's Sergeant Christopher Reyka was shot and killed. The Foundation honors fallen heroes and supports surviving families. Our organization and the 9463 Foundation have had an excellent working relationship supporting each other for years.

Years ago, we were contacted regarding their annual tradition of donating laptop computers to teenagers turning 17 years of age who have had a Florida law enforcement parent killed in the line of duty. The goal is to assist with their education and career goals. Ever since, this has become a tradition to continue to support.

- **Birthday cards for children of fallen Florida law enforcement officers - \$50.00**

This idea was the inspiration of surviving daughter, Sophie Robbins. Sophie's Father, Polk County Master Deputy Sheriff Joseph "Shane" Robbins was killed April 26<sup>th</sup>, 2013.

## **SPONSORSHIP CATEGORIES (continued):**

- Support cards for injured Florida law enforcement officers - \$50.00

When we become aware of a Florida law enforcement officer injured in the line of duty, this is our small way to let them know they have support available (*especially emotional and/or peer support*).

- Holiday Shopping Day - \$300 or more

We attend funerals in the State of Florida when a law enforcement officer is killed in the line of duty. Often at these funerals, we learn of young brave children who have tragically lost their mother or father. As a result, the December holiday season can be particularly difficult. We choose a day and try to bring laughter and smiles to these children by helping them select some presents from a local toy store in their area.

*\*Selections are random and our goal is (but almost always exceeds) \$300 per child.*

- Florida Tour de Force - \$500.00

Members of our organization are proud to continue to support and participate in the approximate 270-mile charity bicycle ride that began in 1997. This ride raises awareness of law enforcement officers killed in the line of duty and raises funds for the surviving family members of Florida law enforcement officers. Each May at the Florida Police Memorial, proceeds raised from the Tour are distributed to surviving Family members.

- General Fund - ANY AMOUNT

No donation is too small. Donations made here assist with our daily operating expenses. This includes our fundraising expenses so we can cover fees and ensure as much of the funds as possible raised go to the recipient and/or cause.

Additionally, this category helps us cover the cost of merchandise, licenses, registrations, office expenses, the upkeep of our trailer, and miscellaneous expenses. Our trailer is updated every year courtesy of Fantasea Media in Miami with names of the fallen Florida law enforcement officers who have died in the line of duty.
